L'Opéra crafts a variety of these bite-sized, colorful confectioneries, with varieties such as salty pistachio, cranberry, hazelnut and coffee & almond. Dragées were created in 1220 by an apothecary in France (the only one that was authorised to trade sugar) in the city of Verdun, which sought a way to facilitate the conservation and transport of the almonds it used. The idea was then to coat them with sugar and hardened honey while cooking. Over time, new varieties of Dragées were created whereby nuts and dry fruits are richly coated with chocolate and enveloped with a thin coloured sugar crust. A must, even though small in size they are rich in flavours.

#### TEA CAKES •——

These traditional French treats, originally found in the North West of France (Brittany) are ideal for high tea. With flavours such as the delicious Marble (chocolate) Tea Cake or the Fruit one composed of orange and almonds, your tea time will be on the right note. L'Opéra also offers an eggless Vanilla variant to cater to all tastes.

#### CHOCOLATE BARS

Confected at L'Opéra's state-of-the-art Production Centre, with world-class techniques and using premium quality chocolate sourced from Belgium, L'Opéra has developed its own range of the very finest chocolate products. Our variants are Milk Chocolate, Milk Chocolate Fruit & Nut, Raspberry Pistachio, Dark Chocolate Fruit & Nut, and plain Dark Chocolate.

## PRESERVES •

As the leading purveyor of authentic French bread in Delhi, L'Opéra proposes hand-picked preserves to accompany its collection of breads and Viennese. Our partner - Bhuira, crafts quality preserves according to L'Opéra's proprietary recipes in the hills of Himachal Pradesh. Our various preserve combinations blend beautifully with the taste of L'Opéra's fresh breads.

## BISCUITS •——

Anytime bites, indulge in L'Opéra's Biscuits, some are known as "Sablé", distinctive in that they are rather buttery and have a melt-in-your-mouth consistency. Our range also offers Cookies and eggless options. Made with French butter and select ingredients, these are a wonderful accompaniment for your afternoon tea or as refined snacks for all occasions.

# TEAS

L'Opéra offers a choice of selected aromatic teas and infusions for your sophisticated tea time. A cup of tea represents an imaginary voyage, it is sometimes said. And this voyage is no less enthralling. Like different masterpieces in an opus, L'Opéra teas and infusions bring you great flavors with a sense of harmony.
