

From the onset, Paris' new Opera House was a symbol of excellence and innovation. Legend has it that even before it was built in 1861, the Empress at the time could hardly believe how boldly its plans mixed such different styles into one ambitious yet harmonious whole.

At any L'Opéra outlet throughout the Delhi NCR and Dehradun, you will see that same aspiration take a new form, bringing the very best of authentic French bakery, pastry and savoury products and cuisine to you. The three concepts of Pâtisserie-Boulangerie, Salon de Thé (Tea Room) and Café Restaurant each create a true 'Paris moment' in the heart of India, where you can experience the delicate texture and taste of a single Chocolate Macaron and the colourful delight of the Roasted Tomato Basil and Goat Cheese Tarte as well as the spicy thrill of the Pasta Arrabbiata and the delicate creamy luxury of our signature "Opéra" the renowned layered cake and pastry.

L'Opéra is the brainchild of Frenchman Laurent Samandari, who envisioned the demand for authentic, high quality French bakery & pastry products while on an internship in India. Later, Laurent's parents, Kazem & Christine Samandari also joined him to help make his vision become reality. The family is actively involved in running the business & maintaining the high standards of service and excellence that it has set for itself.
